COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

REMARKS

Examiner is thanked for specifying the reasons for allowance. The reasons for allowance (Notice of Allowability, p. 2-4) accurately identify many of the differences between the prior art made of record and the limitations of the claims, however, the reasons do not distinguish which independent claims contain which limitations.

The Applicant is providing these comments merely to point out that while all of the independent claims recite combinations of elements that are not taught or suggested by the prior art made of record, not all of the independent claims contain all of the limitations that the Examiner provided as examples in the reasons for allowance.

Respectfully submitted,
HICKMAN PALERMO TRUONG & BECKER LLP
